

BITTERN LAKE VILLAGE VIBE

“What’s New and upcoming in your Village”

(April 1, 2011)

We’re hoping spring is finally here!

Our apologies with regard to slush removal delays. The village tractor was being repaired and it only just returned last week on Thursday.

Your patience is appreciated. We anticipate that the Peter will be out remedying the problem as best we can.

General Information:

Business of the Month - If you are a local business, requiring advertisement, or you simply would like to inform your neighbours about your services, please contact the Village office. That way we can feature your business next month.

Council News:

- **Community Hall Update** – Correspondence has been forwarded to the remaining members and to date the village has received no response.
- **Disaster Preparedness:** We will keep you posted when the Door to Door campaign will be proceeding.
- **Pump house Update:** Procurement and advertising is in process. Any interested businesses may attend the Pre-Tender Meeting on site on Tuesday, April 5, 2011, at 2:00 pm. Any inquiries can be directed to TNT Canada Consultants Inc. (403) 872 – 7454.
- **Business Licence:** Currently the Village will not be implementing a Business Licence Bylaw.
- **Recycling:** We no longer have a contractor to transport the recycling to Centra Cam. This has been a topic of discussion, and we are seeking a solution with longevity to it. Anyone with input/feedback on Recycling is encouraged to share their ideas.
- **Tax Notices:** Scheduled to be circulated in May 2011.
- **Next Council meeting scheduled Tuesday, April 12, 2011, 7:00 pm Village office.**
- *Please submit your agenda items by the Thursday prior to the council meeting.*
