

NOTICE

Garbage/Recycle area upgrades *OPEN HOUSE WAS HELD*

September 28, 2017

If you use the Garbage and Recycling facilities you will now need a fob to get in. You can sign up for one at the Village office.

AFTER OCTOBER 13, 2017 the gate will be shut and you WILL need a fob to gain access.

**For inquiries, please contact the Village Office
780-672-7373**

NOTICE

There are still some people who are putting prohibited items in our Garbage and Recycle bins.

This area is NOT a dump, please take the prohibited items to Camrose Landfill, where they can be disposed of properly. As per Bylaw 03/17.

If you are renovating your property, please take those items to Camrose Dump.

This is costing you, the Tax payer every time we have a bin taken away, we are trying to keep it to a minimum.

A dump run is another cost Tax payers can do without.

If the facility is used properly it keeps the costs down.
