

VILLAGE OF BITTERN LAKE VILLAGE NEWS

ISSUE NO. 2020 | DECEMBER - 2020 | YEAR-END

PROJECTS FOR SPRING

2021 is looking to be a year of further improvements for the Village of Bittern Lake!

Storm drainage will be revisited in Spring to make the necessary adjustments. We are currently awaiting the incoming approval of funds.

The Skating Rink Lights have been updated, thanks to Fortis. Also, the Skating Rink's shed and landscaping have been improved with the great efforts of the Village volunteers. This will be the only project coming this winter!

CONTINUED

Using government funding, we are looking to complete a water line to complete the loop and prevent the chances of getting stale water.

The Councillors are looking at concreting the Garbage area to enhance the area and make it more manageable during the messy months of the year.

The Public Works Building will be expanded to fit our growing number of larger machinery and other equipment.

BOARD MEMBERS

Hall Board Members needed! Current Board Members have decided to step down and the Board is now in need of fresh eyes. Please call 780-281-0879 if interested.

THANK YOU, VOLUNTEERS

We appreciate the hard work our volunteer community has been doing in the area. Our Boulevard and Skating Rink now looks amazing thanks to your contributions.

PLEASE STAY SAFE

We know COVID has made this a challenging year but we hope you all stay positive and continue to wash your hands, maintain a safe physical distance and wear a mask when physical distancing is not possible. Thank you!

The Village's Tree Maintenance Program is looking to address tree concerns in Spring 2021 to remove unhealthy municipal trees. Please do not plant trees on municipal land.

Thanks to Fortis, the Village will be replacing removed trees with new trees in the recreation area.

"The magic of Christmas never ends and its greatest of gifts are family and friends."

The Village Office will be closed during Christmas (24th to 28th). The Office will reopen on December 29, 30 & 31st and close for January 1st.

CPP Rails did some major landscaping in the Village of Bittern Lake in the second week of October 2020. Many trees were removed from along the railway and have created more open sightlines to our lovely lake.

THINGS TO LOOKOUT FOR IN 2021

01

Pet Licenses are due before January 31st.

02

The Office does accept Credit & Debit Card payments (with fees).

03

Please keep your vehicles off the street for snow clearing.

04

Ask how you can get your utility bills emailed to you, as well as your receipts!
